Letter from the Executive Board

Greetings Representatives,

Welcome to FIFA. Being the only sports committee, I am sure to host students who are passionate, and I welcome it. This committee will not be a traditional MUN committee but do not worry, the format will be easy, and I am sure you will have a great time.

The format will be quite simple for the event. There will be only 2 speeches required from each representative. Opening and Closing. To explain further the schedule will confirm when the doubt solving and guidance session will take place and every delegate will get equal time in preparation.

Make sure to read the folder in its entirety. There are documents given in this document which will be extremely important for the running of the committee. Even if you read this document a day before the event you will be fine although not reading this guide will leave you at a major disadvantage.

With that, good luck with the conference and hope you have a great time!

Regards,

EB of FIFA.
